March, 2005

HOT AIR BALLOON

Balloon Square is labeled for foundation or paper piecing.

Use BRIGHT colors for the balloon and dark or medium BLUE for the background.

Background numbers are 2A, 4A, 5A, 6A, 4B, 5B, 8B, 9B and 10B.

Sew sections A & B together.

Add 2" borders of the background color to the sides and trim the square to 8 1/2 inches.

Optional:

Connect basket (1A) to the balloon (3A) with your choice of embellishment (embroidery, cord, ribbon, etc.)

Make as many blocks as you wish. Attach your name to each block twice. One stays with the block and one goes in the drawing bag. The more blocks you make, the more chances you have to win a set of blocks, but you may only win one set.
