... 4 squares 3 1/4" x 3 1/4"

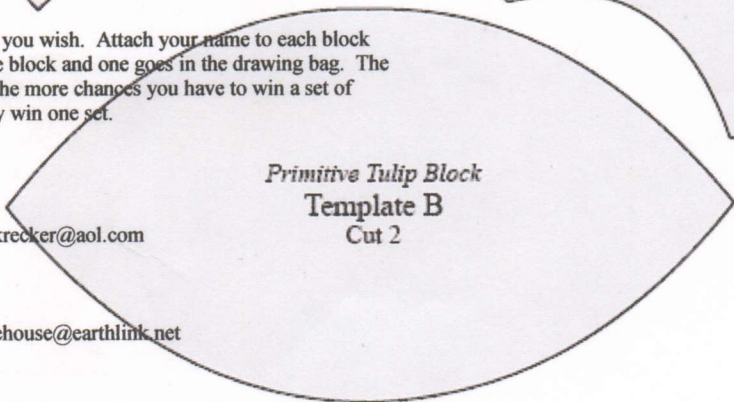

ASSEMBLY INSTRUCTIONS

1. Draw diagonal line on wrong side of 3 1/4" green print square. Place green print square on background square, right sides together, aligning corner edges. Stitch on drawn line; trim away and discard excess fabric. Repeat at each corner. Press open with seam toward green print to make pieced square.

2. Referring to picture, position template fabrics (in alphabetical order). Using method of choice, appliqué pieces in place.

Make as many blocks as you wish. Attach your name to each block twice. One stays with the block and one goes in the drawing bag. The more blocks you make, the more chances you have to win a set of blocks, but you may only win one set.
