

2019 AQS Ultimate Guild Challenge

- Finished Size: 40" x 40"
- Edge to Edge Design
(This means no borders.)
- Regular Binding
- A part of your design is allowed to poke over an edge (but no more than 4").
- The Design: The subject matter is your choice - anything goes! However, when the judges look down our row of quilts hanging in the AQ show, we want them to explode with shades of red, white, and blue! (White includes creams.)
- Somewhere on your quilt you must include a star and red and white stripes - can be very small or very obvious.
